A History of Kolossi Preceptory No. 684

During research when Secretary of Othello Lodge No 5670, W. Bro. Peter van de Pol found references during the Consecration of Othello Lodge in 1938 in Famagusta to a “Kolossi” Knights Templar Preceptory being established. Shortly after consecration in the Othello Tower in Famagusta, Othello Lodge held all regular Lodge Meetings in the “Twin Tower” Knights Templar [circa 1299] and Knights Hospitlar [circa 1450] Churches in Famagusta. No further trace could be found of a formal K.T Petition ever having been lodged as the outbreak of World War II appeared to have stopped further progress here. Peter had a dream of bringing the Knights Templar Degree ‘back’ to Cyprus and in 2001 first raised this possibility, but the timing was not right. However, in 2010, the District Grand Master, R.W.Bro. Theodosios Theodossiou gave his blessing and E.Kt. Peter van de Pol was tasked as Organizing Registrar and a Founding Committee established consisting of E.Kts. Theodosios Theodossiou, Andrew Theocharous, Eric Williams, Terry Knights and Dave Parrott.

The background History of the Preceptory

The United Grand Lodge of England is the original Founding and Ruling Masonic Authority for Freemasonry in Cyprus; with St Paul's Lodge No 2277 first consecrated in 1888. The Great Priory of the United Religious, Military and Masonic Orders of the Temple and of St John of Jerusalem, Palestine, Rhodes and Malta of England and Wales and its Provinces Overseas are the Ruling Authority for the Knights Templar Degree. The Templar Degree is one of the oldest of the "Chivalric Degrees" a strictly Christian Degree, members referred to as the Poor Soldiers of Christ and the Order of the Temple of Solomon.

Members have to be Master Masons of a least one year's standing and Members of the Holy Royal Arch. Membership is very select and strictly by Invitation.

Great Priory in London through the aegis of R.E.Kt. John Brackley K.C.T., Great Vice-Chancellor gave permission for a Kolossi Preceptory to be Consecrated and the necessary Petition Forms were issued. The first Founding Sub-Committee Meeting was held in January 2011. Many hours were spent locating premises, obtaining and making the required Furniture and obtaining Regalia and approaching some 30 Founder Members – including 19 Brethren for Installation into the Degree.

Tremendous assistance and guidance was also given from the U.K. by R.E.Kt. Paul Clement G.C.T., Great Marshal and E.Kt. Robert Parrott PGt.WofReg. Great Priory then gave the singular honour to "Kolossi" by announcing that a Consecrating Team led by the Most Eminent and Supreme Grand Master Timothy John Lewis G.C.T. would come to Cyprus to perform the Consecration and Installation Ceremonies in Limassol on Friday 25th May 2012, as opposed to the normal procedure of "Kolossi" going to Priory in London On Friday 25th May 2012 Members of the Great Priory led by the Most Eminent & Supreme Grand Master Timothy John Lewis G.C.T. with His Consecration Team Convened a Preceptory at the Temple at 6 Jerusalem Street Limassol and 19 Companions. were Installed as Knights Templar.

After a recess the Most Eminent & Supreme Grand Master was received, his Officers appointed and Kolossi Preceptory No 684 Consecrated with full ceremonial. R.Et.Kt. Alan J. Englefield K.C.T. was then Installed as 1st Preceptor of Kolossi Preceptory No 684 and then Appointed and Invested his Officers.

A Gala Consecration "White Table" Festive Board followed attended by some 85 Knights, their Ladies and Guests.

The next day, Sat 26th May a Tour was arranged to Kolossi Castle (with Bro. Angelos Kyriakoudes acting as guide) followed by a visit to the Ancient Curium and lunch on Curium Beach.
